

# Joel Hagglund's Mission to Ensenada, Mexico

---

October 6-15, 2023

Our own Joel Hagglund will be participating on this short-term mission through CA Church. The team will be working closely with Oasis Ranch. It is a boys home that houses troubled youth from all over Mexico. Many of the boys at Oasis suffer from mental illness, abuse, and addiction. Oasis is a place where these youth find opportunities to be rehabilitated, go to school, learn life skills and are taught about their value in Christ.

The team will be hosted by Encuentro Church and their the pastor, Enrique, and his wife Alma. They'll also be joined by Pastor Tomas, Brenda and Adrian.

Below are some things you can be praying for as they serve Christ:

- courage in difficult situations
- that they continue to abide in Christ
- boldness and zeal in serving the Lord
- safety in travel living in dangerous locations
- protection for their families
- good health when surrounded by diseases
- positive relationships with family and co-workers
- a strong and growing family
- integrity and honesty in word and deed
- unity within the church and team members
- humility
- provision in their daily personal and ministry needs
- personal Bible study, prayer communion, and fellowship
- endurance
- pray for Joel and his family as we prepare for the fall and all of the details for this trip.
- For the funds needed to be covered (Approximately \$2150)
- If you'd like to give to Joel's mission costs you can do via [tithe.ly](https://tithe.ly) or cheque and indicating "Ensenada Mexico Mission Support."
