What God did this month

CONSTRUCTION NEWS

We continue praying and working on the construction of the new house.

In relation to the new house we continue working, the plastering on the outside has already been completed, and the next step is to work on the second floor which will be the library and computer room, there we need to raise walls, we also have to work on the ceiling of the house because the rains come and you cannot plaster the inside until the roof is waterproofed.

CONSTRUCTION NEWS

This is how the boys' bathrooms turned out, they are already working, we thank God and each person who helped us with this need, an excellent job.

CONSTRUCTION NEWS

We are in the period of renewing permits and supervision by the government of the institutions that work with children and adolescents. On this occasion, the state government helped us with more than half of the expenses on repairs and revisions. If we submit the revision approval before November, we are not charged for government permits and procedures. We carry out electrical repairs in the room assigned to the young people, such as ducting electrical cables and changing outlets and switches. There are still some finishes to finish and thus avoid observations by the supervisor. The state government helped us with 102,000.00 pesos, we are missing 60,000.00 pesos to be able to finish this requirement. We are praying to be able to finish and deliver everything on time, so that the next review will support us with the entire expense.

HAPPY
BIRTHDAY

DANIEL

In September Daniel turned 14 and we celebrated by taking him to breakfast outside the oasis, it happened that the Baja 400 races coincided, we went to see for a while. Later we watched a movie at the cinema. And that was how Daniel spent his 14th birthday.

CLASSROOM NEWS

This partial, the Oasis kids excelled in their grades and the school at the parents' meeting congratulated the ministry because the Oasis kids stood out for their good behavior, support in non-school work and for their grades.

So we celebrated by going for a walk, we visited the church, I found the cove and from there we went to eat for a while and play in the park and later go to the cinema, watch a movie. It was what the budget allowed us to give them as a reward, but the intention was to reward and motivate them to try harder.

Welcome

Manuel

In September we welcomed Manuel, we asked for prayers for Manuel, he is 14 years old, his mother is the director of a rehabilitation center for women and she brought him to oasis because Manuel became depressed when he realized that his father was not his biological father. and he began to behave rebelliously, depressed and stopped going to school. Apparently he has not yet touched drugs, but his parents cannot control the situation. We ask for your prayers for Manuel.

HAPPY

Happy Holidays

If you are planning to come to oasis and bring Christmas gifts, I would like to suggest that in your plans you consider the people who work at oasis, since they do their work here without receiving or expecting a salary and some do not even receive an offering. or compensation for their work and they are motivated when you come and receive a present, thank you for your love and support of these kids.

Thank's for your love

Praying things change

We ask for your prayers so that GOD provides the resources so that the construction of the new house does not stop, since although the plastering has already been completed there is not enough budget to continue building, but we know that even if the basket is empty there will be plenty. We also ask for prayer that GOD allows us to fulfill our commitments to the government, so that we can have more support from them, since this year they already began to support us, but the burden is great and there are many requirements that we have to meet. achieve. In relation to the legal documents of oasis, we continue working, we are waiting for the engineer's corrections so that the government quotes us lower in paying taxes, but we must be patient, since each document lasts a long time in the offices Please continue praying.

OF THE MONTH

Every good gift and every perfect gift comes
down from above, where is the Father who
created the heavenly lights, and who does not
change like the stars nor move like the
shadows.
